## Your privacy is very important to us!

We promise to use the information you give us only for validating your application and associated tasks. Where you are successful, we will keep a copy of your data for the duration of your tenancy plus two years and where required by UK law. If you are unsuccessful in your application or choose to withdraw, we will remove your details from the system after six months of no activity - after all, who wants to fill forms out time and again?

We will need to pass certain details about you to other people and companies - this includes the landlord or their agents, any referee or guarantor you've provided, Equifax for your credit check and a company called "Utilitease" we use to explain your obligations when moving in. They are also able to discuss and identify the best deals for you if you agree in the application form (don't worry - if you indicate you don't want to discuss the options then they won't pester you - that annoys us too!)

If, in future, you want to know what information we hold about you, or have any other queries regarding data protection or your rights, all you have to do is ask - just send an email to [dpo@vouch.co.uk](mailto:dpo@vouch.co.uk) and we can help resolve your query. You also have a right to lodge a complaint with the ICO if you wish.
